

## MUSIC 1º ESO. HOMEWORK FROM 16th TO 20th OF MARCH 2020.

1. Carl Orff: finish the questions we started in class. You must copy them in your notebook, look for the answer in the text and write the right answer under the question (remember leave a space between questions). The documents with the text and questions are in the virtual classroom and blog as well.

2. Crossword number 2. You have two options:

a) You can print the crossword, fill the gaps, cut if it's necessary and paste in your notebook.

b) If you can't print the crossword, copy it as better as you can in your notebook and fill the gaps.

3. Watch the video about noise pollution. You have the link in the virtual classroom and blog.

NEXT WEEK I'LL GIVE YOU MORE HOMEWORK.

TRY TO HAVE A NICE WEEK AND STAY AT HOME, PLEASE!!
