

MUSIC HOMEWORK 1st – 14th JUNE.

2. OPTIONAL HOMEWORK.

CHALLENGE: write your own score with an app: SCORE CREATOR. If you are one of the brave students who were able to do the first part of the activity, let's go to the second part!!

(Remember, if you don't have a mobile phone you can copy the score in your notebook and write the name of the notes [both in English and in Spanish] under them. Page 16, score number 5: *Hey, ho, nobody home*).

TIP: The names for the notes in English are with letters: C = DO, D = RE, E = MI, F = FA, G = SOL, A = LA, B = SI.

If you have a mobile (and you're a brave person) follow the steps:

1. In the app, open your song (I suppose you would save it).
2. Copy the score page 16 of your book *Hey, ho, nobody home*.
3. Send me a photo like this, but with all the notes both in Spanish and English:

Hey, ho, nobody home.
Traditional song

♩ = 100

Flute

La Sol La La La Mi
A G A A A E
