

Discover the secrets that had been hidden for
centuries along the history of humanity: illegal experiments,
animal mutations, UFOs? and more. In this book we also have
testimonies of people that never be part of a experiment or
never seen UFOs. This book is limited Edition because
the portrait is nevered! I hope you enjoy this 'exchange but
also interesting history.

What secrets lie hidden beneath
the silence

In a quiet town by the sea
a young woman disappears.
This event brings back old memories
and pain that people tried to
forget. Nobody wants to talk, but
everyone knows something under
the calm surface, something dark
is waiting.

Drew Boyle comes back to her town
after many years. She finds old secrets
that people have hidden for a long
time.

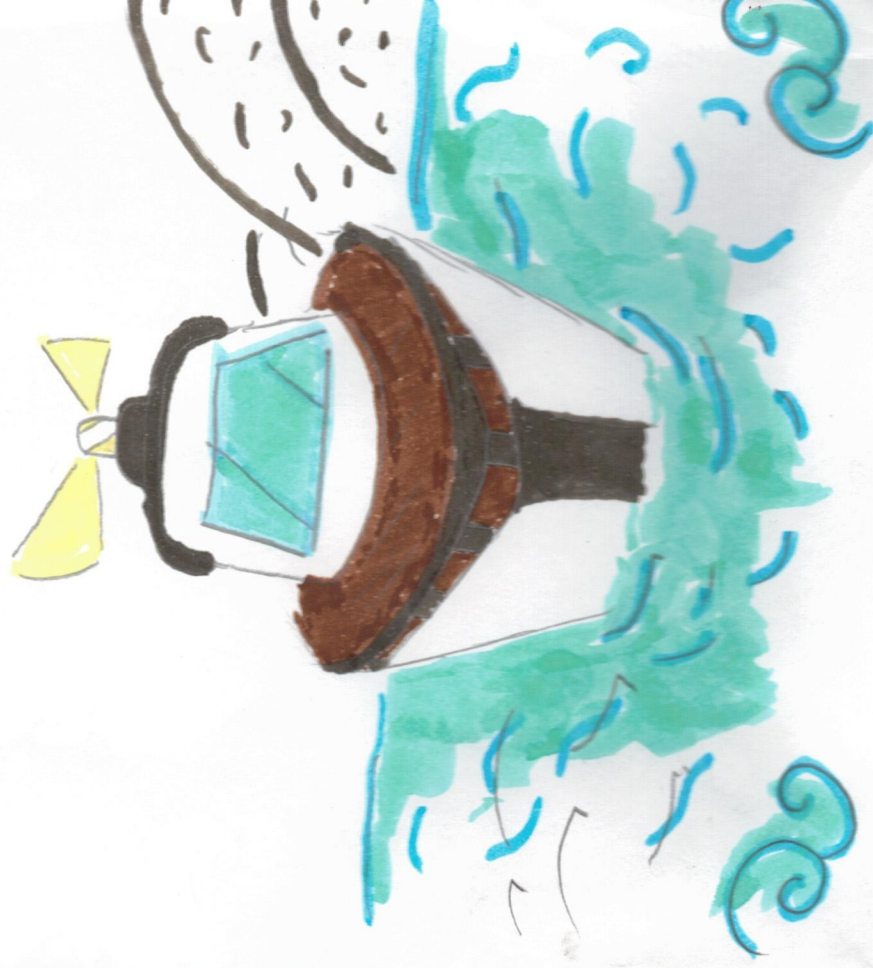

But the more difficult thing is to
know what is real and what is not.

The Silence

Beneath

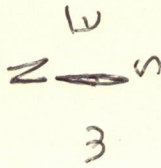

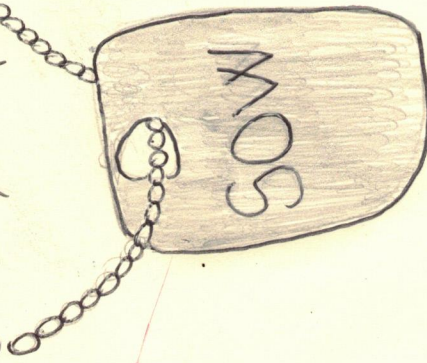

The Sea

AN AMAZONIC

Love

ROSA GUIRADO HARO

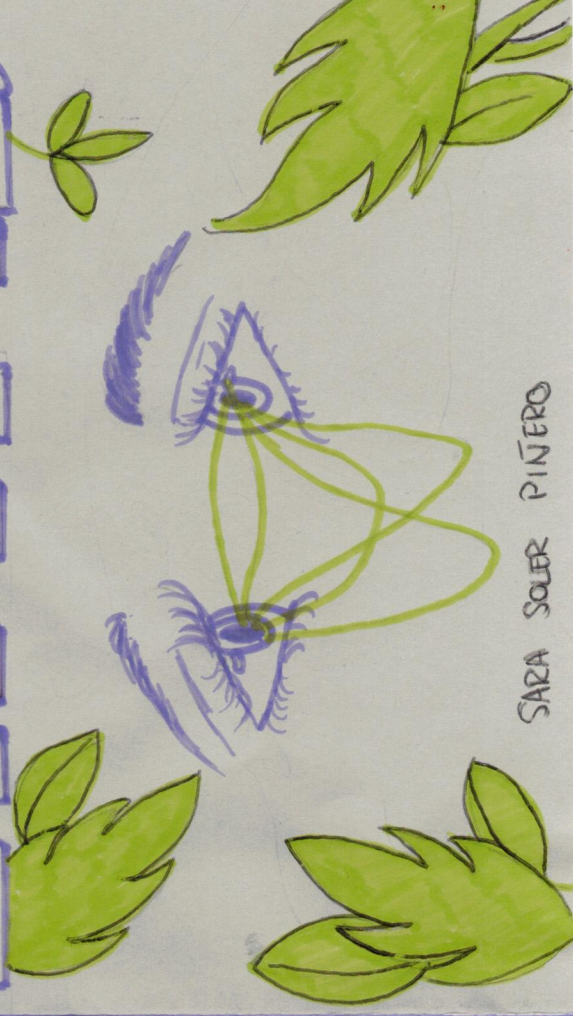

ALL STORY THAT WILL TOUCH
your heart

Eason and Will were both exploring the Amazonas, each one in a different part, until they met randomly. They decided to keep exploring together as "friends". Together, they will be finding different types of creatures, while they start their own love story.

INTERLINK

SARA SOLER PINERO

interlinked

Nora, a girl lost in the Amazonia during a family trip. Classy and from a wealthy and high-status family. But a part of her was exactly the opposite of what she should be.

Yoel, an Amazonian Indian from the lowest class tribe. He was a free and happy soul. He lived in the jungle and everyone from every tribe adored him.

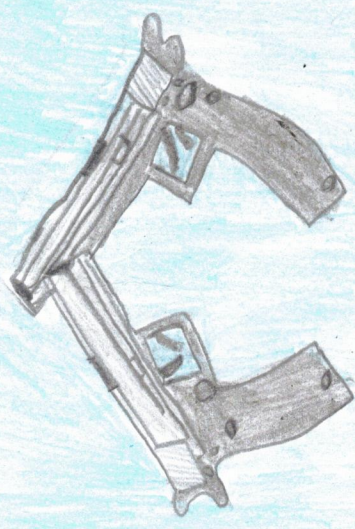

Everything changed for them when they met in the jungle of the Amazonia and connected so quickly. They knew their love was impossible, but they couldn't help needing each other.

Would they be able to be together or they'd have to quit?

"An amazing and addictive love story. It's really emotional!"

- New York Times

1

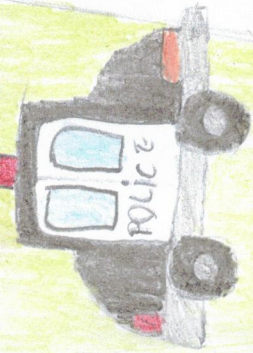

Gary is a worker in a office. He lives in an appartament with his friend in Chicago. When he was younger, his dream was to be a footballer. But he failed. His job is very bad because he earns little money and, of course, he is not a football player and he is known as "the loser". One day he receive an offer to be a very good robber in an academy. Now he is the best thief of the country and he wants to do the biggest robbery of the history. Will he do it?

THE LOSER

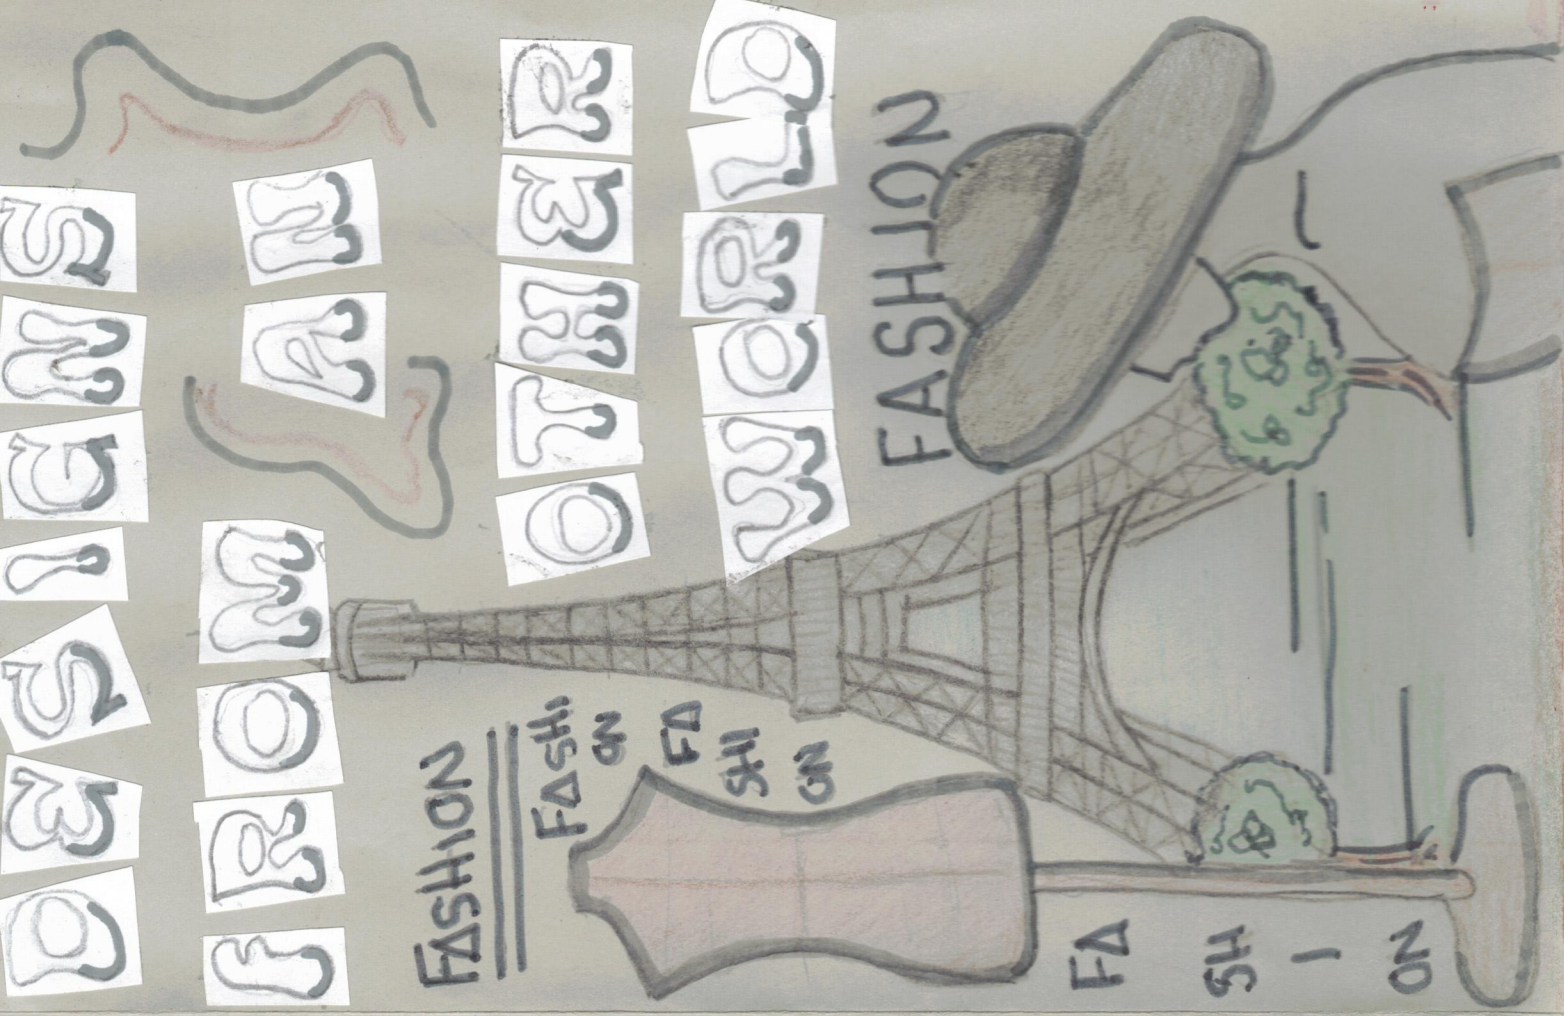

THE LOSER

In a boring town where nothing
 ever happens, a girl named Tali
 finds an old notebook filled
 with drawings of super weird
 and shiny clothes. When she tries
 to copy one of the designs, the
 outfit she makes start, to glow -
 and disappears... along with her! Tali
 wakes up in a world where fashion
 controls the weather, time, and even
 gravity. Tali has to invent her own
 style to get back home or she'll be trapped.

The GOLDEN room

The GOLDEN room

Thalia lives in a palace full of gold, dresses and diamonds.

Every day, she tries new perfumes, wears the most beautiful clothes, and goes to parties with rich people.

But one day she finds a hidden room in the palace "The Golden room".

Inside, there are no mirrors, only a diary from the queen who lived there before her.

Through the diary, Thalia discovers that true beauty on luxury are not in the jewels, but in being free, being kind and living honestly.

Now Thalia must choose the life of gold or a life that shines from inside.

Fred visit a village that have
been to many disappeared in
the last years. The people
advertisise he that he must
not enter to the forest.
Fred ignore that and he
enter to investigate it, he
found a little house but
that was a bad idea...

THE TIME TWIST

When Han trips over a strange shimmering hole in his backyard, he tumbles into the wildest adventure of his life.

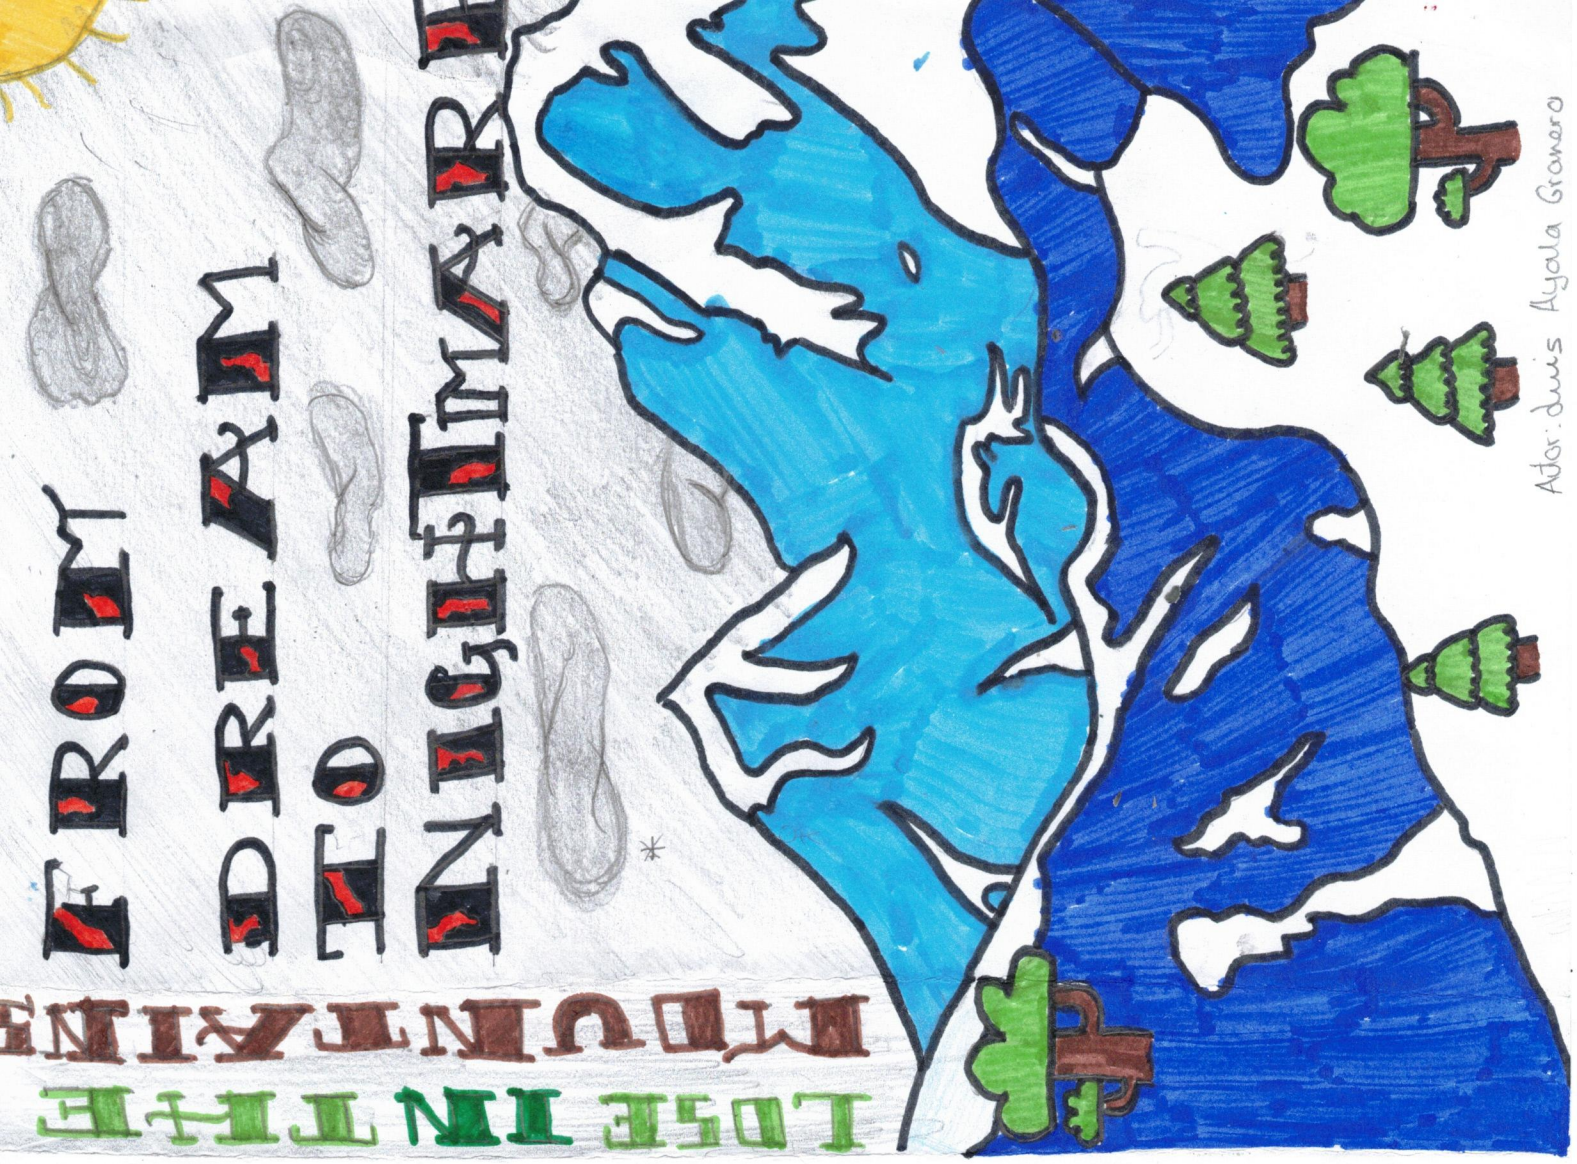

This isn't just any hole - it's a portal to the past and future. Where dinosaurs roam, robots rule, and mysteries wait to be solved. With his loyal robot buddy, Min, Han must navigate epic eras, dodge time glitches, and beat mischievous bandits determined to control the hole's power!

Will Han be able to find his way back home, or will he be lost in the twist forever?

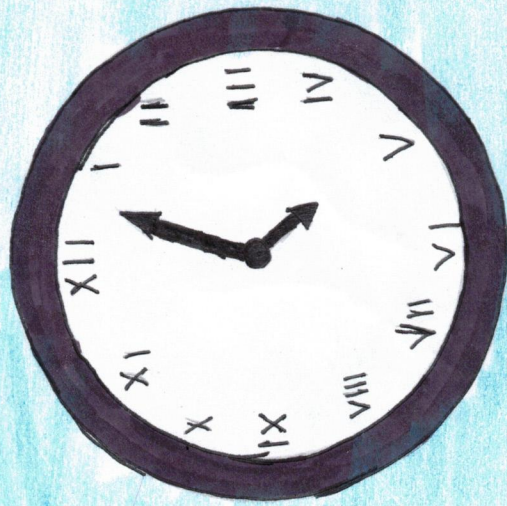

The book is about a group of friends who give one of their friends a ski trip to the mountains because they loved skiing, but that would not be the only surprise they had that day. They'd have to help each other to survive so many dangers.

The best adventure book you'll ever see.

Two friends take a plane to Spain,
but the plane crashes and they
end up on a mysterious island.
There, each hour is equivalent to
a year in the real world.
Will they be able to get out of
there in time?

THE ISLAND OF TIME

• Mortimer sleep during the day, waiting to the night to go out and find something to eat.

• In his adventures, he have to face a lot of problems with ~~the~~ others animals because everyone want to eat.
